

WORK SAMPLE

LOADING SCREEN

This frame is the loading screen of the application.

LOGIN PAGE

A screenshot of a web application login page. The page has a light gray background. At the top, there is a title bar with the text "Login Page" and standard window control buttons (minimize, maximize, close). Below the title bar, the main content area contains two input fields. The first field is labeled "Username" and contains the text "admin". The second field is labeled "Password" and contains five dots, indicating a masked password. Below these fields, there are two buttons: "Proceed" and "Cancel". In the bottom right corner of the page, there is a timestamp: "19/03/2020 12:12:33".
